## Think Global | Think China

This is Yu Liang from Peking University Guanghua School of Management, and on behalf of our MBA program, I would just like to thank you again for all the help and support you have given us throughout the process of our collaboration in terms of the MBA program and One Belt One Road Scholarship Scheme last year. I would like to let you know that the application for our 2019 entry next September is already open – students may register and access our online application portal via <http://www.applymba.pku.edu.cn>. The application form to apply for the One Belt One Road Scholarship is also available to download via the online application portal.

It would be a privilege to continue to cooperate with your embassy to further promote the Peking University Guanghua MBA program. In addition, I highly recommend you to visit the official website of the Peking University Guanghua Belt & Road Institute via <http://www.bri.pku.edu.cn/Home.htm> for more details about events, lecturers, research and cooperation.

Our international MBA program is a full-time (2 years) English-taught program. The One Belt One Road Scholarship will not only provide the opportunity to study at Peking University, one of the most prestigious universities in China, which is ranked #1 in China and #2 in the Asia-Pacific region by Times Higher Education World University Rankings 2018, but also the chance to become an expert in China affairs, gain a solid foothold in the China market.

Please do not hesitate to contact me (Email: [yul@gsm.pku.edu.cn](mailto:yul@gsm.pku.edu.cn); wechat: liangtofly; Phone: 15010656075) at any time should you have any questions about our MBA program and the One Belt One Road Scholarship.
